Analysis and Action Taken on the feedback data as collected for 2023-24

Feedback from the alumni is positive in every aspect. They have good experience and highly satisfied with the courses they studied. The main issue was with better canteen facility as >50% of the alumni members has responded 'unsatisfactory' regarding canteen facility. College canteen is run by a SHG and meeting would be held to improve the service. IQAC coordinator has decided to supervise the matter and discuss with them to solve the issues to run the canteen on regular basis with good food. Further Toilet and drinking water facility issue has also been discussed and further course of action is prepared.
